HUGH'S HOUSE COMPANY LIMITED BY GUARANTEE DIRECTORS' REPORT

FOR YEAR ENDED 31 JULY 2020

The Directors present their annual report and audited financial statements of the charity for the financial year ended 31 July 2020.

As a company limited by guarantee and not having a share capital incorporated in the Republic of Ireland under the Companies Act 2014, the report and results are presented in a form which complies with requirements of the Companies Act 2014.

In compliance with Financial Reporting Standard 102, the company as a registered charity and public benefit entity has adopted the Statement of Recommended Practice (SORP): Accounting and Reporting by Charities, as issued by the Charities Commission (for England and Wales) and the Office of the Scottish Charity Regulator.

The content of the director's annual report is set out in the following headings:

- Objectives and activities,
- Achievements and performance;
- Financial review;
- Structure, governance and management;
- Reference and administrative details;
- Exemptions from disclosures and
- Funds held as custodian trustee on behalf of others.

OBJECTIVES AND ACTIVITIES

Our charity provides family accommodation 365 days a year for parents who have ill children in Temple Street, Hollies Street and the Rotunda hospitals. The charity owns 44 Belvedere Place, Dublin 1 and rents 43 Belvedere Place, Dublin 1.

ACHIEVEMENTS AND PERFORMANCE

Throughout the year under review the houses were fully utilised and we provided thousands of bed nights in our 7 family rooms to families from all over Ireland. All families are selected and referred by the hospitals. No families were charged for staying in the house. This is a principle we hope to maintain, and to include meals through our partnership with food cloud.

We have regular volunteers, who provide some evening meals, cleaning of communal areas and ironing. There are also teams of volunteers who help general with maintenance including painting rooms as required and gardening. We are very grateful for all the help the volunteers provide. This allows us to keep our costs to a minimum. The benefit of volunteers is the support and normality that they provide to the families during what is a very stressful and difficult time for them.

FINANCIAL REVIEW

The results for the year are set out on page 11. There was an increase in income in the year (from €252,859 to €298,952). This was driven by an increase in our general donations. Our expenditure was €166,591 (an increase relative to the 2019 expenditure of €74,486).

The statement of financial position is set out on page 12. The charity has net assets of €621,843, a substantial increase on last year's figure of €489,482. This is mainly due to an increase in cash reserves. The net assets figure is effectively comprised of our buildings at a book value of €420,347 plus our day to day cash reserves and other smaller net assets of €201,496.

RESERVES STRATEGY

Hugh's House has a responsibility to ensure that it uses the funds and resources it receives for its charitable purpose of supporting the services it provides. There are uncertainties around most sources of funding and resources. To this end, Hugh's House has a reserves policy in place where reserves are to be maintained at a level which ensures that Hugh's House core activity could continue during a period of unforeseen difficulty. A proportion of reserves be maintained in a readily realisable form, in this case as a minimum balance of €5,000 in the current account.

Directors' Responsibilities Statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the charity as at the financial year end date and of the surplus or deficit of the charity for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Such income normally takes the form of grants, fundraising events & donations and other funding. The directors believe that income will continue at an adequate level for the foreseeable future so that the charity can continue in operational existence. In these circumstances the financial statements are prepared on a going concern basis.

COVID 19 – The coronavirus outbreak is having a growing impact on global economy, It is having following impacts on various charities.

NOTES TO THE FINANCIAL STATEMENTS

FOR YEAR ENDED 31 JULY 2020

3. Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Tangible Fixed Assets

All tangible fixed assets are recorded at historic cost. This includes legal fees, stamp duty, other non-refundable purchase taxes and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management, which can include the costs of site preparation, initial delivery and handling, installation and assembly, and testing of functionality.

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such an indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment deficit is recognised in the statement of financial activities unless the asset is carried at a revalued amount where the impairment deficit is recognised as a revaluation decrease.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost or valuation of each asset systematically over its expected useful life, on a straight line or reducing balance basis, as follows:

Freehold land and buildings	-	2% Straight line
Leasehold land and buildings	-	2% Straight line

No depreciation is charged to fixed assets in the year of acquisition.

Income/Funds

The charity receives income under three headings as follows:

Restricted Funds

Restricted funds are to be used for the specified purposes as laid down by the donor/grantor. Expenditure which meets the criteria is allocated to this fund.

Unrestricted Funds

Unrestricted funds represent amounts which are expendable at the discretion of the directors in furtherance of the objectives of the charity and which have not been designated for other purposes. Such funds may be held in order to finance working capital or capital expenditure.

HUGH'S HOUSE COMPANY LIMITED BY GUARANTEE

NOTES TO THE FINANCIAL STATEMENTS

FOR YEAR ENDED 31 JULY 2020

3. Accounting Policies (continued)

Designated Funds

Directors can designate part or all, of the unrestricted funds for specific purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund. The directors have allocated this fund as a building reserve fund in the financial statements.

Incoming Resources

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Donations and Gifts

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

Where practicable, gifts in kind donated to the charity for distribution to the service users or for resale in charity shops are included in donations in the financial statements at their fair value. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh the benefits, then the income and associated expenditure is not recognised.

Fixed asset gifts in kind are recognised when receivable and are included at fair value.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point the legacy income is recognised. On occasion legacies will be notified to the charity, however, it is not possible to measure the amount expected to be distributed and, in these circumstances, it is not recognised until received.

Government Grants

Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received, and the amount can be measured reliably. If entitlement is not met, then these amounts are deferred.

NOTES TO THE FINANCIAL STATEMENTS

FOR YEAR ENDED 31 JULY 2020

3. Accounting Policies (Continued)

Expenditure Recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds
- Expenditure on charitable activities and
- Other expenditure represents those items not falling into the categories above.

Foreign currencies

Transactions and balances

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the financial year end date. All foreign exchange differences are taken to the income and expenditure account.

Financial Instruments

Cash and Cash Equivalents

Cash consists of cash on hand and demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

Loans and Borrowings

All loans and borrowings, both assets and liabilities are initially recorded at the present value of cash payable to the lender in settlement of the liability discounted at the market interest rate. Subsequently loans and borrowings are stated at amortised cost using the effective interest rate method. The computation of amortised cost includes any issue costs, transaction costs and fees, and any discount or premium on settlement, and the effect of this is to amortise these amounts over the expected borrowing period. Loans with no stated interest rate and repayable within one year or on demand are not amortised. Loans and borrowings are classified as current assets or liabilities unless the borrower has an unconditional right to defer settlement of the liability for at least twelve months after the financial year end date.
